The following paragraph is to be added as Sl. 13A of Section - 1 (Notice Inviting e-Tender) and clause 35.2 of Section - 2 (Instruction to Bidders) of the Bidding Documents:

13A/35.2. In the event, the lowest bidder for a package happens to be two or more bidders (the “**Tie Bidders**”), the Corporation shall hold a spot-auction amongst such Tie Bidders only and shall declare such of them who has offered the lowest price in such auction to be the Selected Bidder. However, if any of the Tie Bidders have already been awarded any package earlier opened, then such Tie Bidder shall be excluded from the auction and the auction would be held amongst the remaining Tie Bidders and if there be only one remaining Tie Bidder, the latter will be declared as the Selected Bidder. Bidders’ representatives who choose to attend the Financial Bid opening should therefore be duly authorized to participate in such auction. In the event a Tie Bidder is not represented on the Financial Bid opening date or the authorized representative of such bidder does not or is unwilling to participate in such auction, the auction would be held amongst the remaining Tie Bidders and if there be only one remaining Tie Bidder, the latter will be declared as the Selected Bidder.

The following paragraph is to be added as Sl. 13B of Section - 1 (Notice Inviting e-Tender) and clause 35.3 of Section - 2 (Instruction to Bidders) of the Bidding Documents:

13B/35.3 In the event, all the Tie Bidders for a package happen to be Selected Bidder for any earlier package already opened, all such Tie Bidders generally will not be allowed to participate in the spot-auction and the next lowest bidder will be given an opportunity to match the price of the Tie Bidders and the procedure laid down in Sl. 13 of the e-NIT shall be followed.
