Dr. Upendra Nath Biswas
Minister-in-Charge,
Backward Classes Welfare Department
Government of West Bengal

Message from the Hon'ble Minister-in-Charge

The Department of Backward Classes Welfare is dedicated to the welfare of Scheduled Castes; Scheduled Tribes and Backward Classes with a view to integrate them ultimately with the mainstream of the society by effecting social, educational, economic and cultural uplift and thereby implement the provisions of the constitution of India concerning the Scheduled Castes and Scheduled Tribes.

1. *His Excellency the Hon'ble Governor of West Bengal in his address in the West Bengal Legislative Assembly has stressed that his Government will ensure speedy issue of Castes Certificates. With a backlog of pending 1, 36,000 cases of Caste Certificates the department is now in a mode to issue all the pending cases immediately to honour the desire of His Excellency.*
2. *On review of the reports; it is evident that the reservation policy framed under the constitutional framework is not being followed by majority of the departments.*
3. *The various wings under this department like Pre-Examination Training Centers, Training cum Production Centers have been found to be literally non-functional.*
4. *Various educational institutions and programmes of department like Eklavya Schools, Ashram hostels, Central Hostels etc. needs a thorough Review. Such organizations being run with contractual staff and or on an ad hoc basis seem to have a dismally low efficiency level.*
5. *Cultural Research Institute (CRI)- the Research Wing of the department is found to be in a really sorry state and has literally stopped functioning with 55 posts lying vacant, a vehicle purchased for field research is not being used even for a single day and has been junked and even the signboard of the premier research institute lying on the ground shows the dismal state of affairs in an organization which could have been an example in the national scenario.*

6. *The notification for reservation of posts and vacancies from 7% to 17% for the backward classes was done hurriedly and the list of backward classes under the heads “A” and “B” was made without any accurate and detailed anthropological investigation. The matter needs a thorough examination before taking any final decision in the matter of reservation of 17% posts and vacancies among “A” and “B” category of backwards.*

7. *The department has awarded the Ambedkar Medha Puraskar to a good number of meritorious boys and girls and is having a data bank of these students but no further vision is on record to facilitate these scholars to excel in life. The only important work made by the department regarding educational matters is running some centers for coaching the students who aspire to appear in the Joint Entrance Examination. The performance of these centers is good but requires further extensions to other areas of the state.*

There is no excellence in the performance of the department as evident from the activities so far. Setting of Ambedkar Centre of Excellence, an effort under the department is to be ensured for regular monitoring of the programmes and visions of the department to achieve excellence in all sphere of activity of the department and its undertakings.

This will surely revitalize the non-functional institutions under the department and will create new avenues to achieve the goal of the department to a large extent.

To achieve the objectives special emphasis is needed on the educational, social, cultural and financial uplift of agricultural labourers belonging to Scheduled Castes, Scheduled Tribes and Backward Classes, backward minorities communities, students, most backward tribes, primitive tribal groups, senior citizens belong to tribal community etc.

The department needs to implement the minimum needs programme, creation of cooperatives, family oriented income generating schemes, land reforms, minor irrigation, development of village and small industries as illustrated by the Government of India in their guideline. The department needs to ensure due and proper importance for enhancement of the cultural projects and schemes to protect the rich age -old cultures of the people for whose interest the Department is dedicated to.

All the activities of the Department are being re-examined for effective functioning and monitoring to ensure social, economic and cultural justice to the people belonging to the Schedule Castes, Scheduled Tribes and Backward Classes.

Date : 2012.
Place : Kolkata.

CHAPTER-I

INTRODUCTION

The Backward Classes Welfare Department works for Social, Economic & Cultural development of the people belonging to Scheduled Caste (SC), Scheduled Tribe (ST) & Other Backward Classes (OBC) of West Bengal.

Mandate of the Department:

- a) Promotion and implementation of educational schemes including training, capacity building and skill up gradation of SC/ST & Other Backward Classes;
- b) Issue of Caste Certificates and enforcement of Reservation Policy and Rules in Government Services, Posts and Educational Institutions;
- c) Implementation of schemes including income generation schemes for economic upliftment of the SC/ST & the Other Backward Classes;
- d) Strengthening of infrastructure and creation of community assets for integrated development of the backward classes;
- e) Social and Cultural Research for development of the backward classes;
- f) Promotion and preservation of Culture of Scheduled caste and Scheduled tribe.

In West Bengal, as per Census 2001, out of a total population of about 8 Crore, 23.02% (1.845 Crore) belong to SC and 5.5% (44 Lakh) belong to ST. Though there was no census on OBC population, it is estimated that approximately 39% of the total population belong to OBC. District-wise population as per 2001 Census is given at **Annexure – A**.

There are a number of Articles of the Constitution of India, dealing with the issues concerning the development and welfare of the Scheduled Castes & Scheduled Tribes and Other Backward Classes. Articles 15, 16, 17, 46, 164, 275, 330, 332, 334, 335, 338, 340, 341, 342, & 366 of the Constitution of India directly deals with the matters of welfare of Scheduled Caste (SC), Scheduled Tribe (ST) & Other Backward Classes (OBC).

The Department has adopted a few fundamental changes in the delivery system during the last year. Quick disposal, monitoring, timely e-submission of reports and returns and outreach to the poor SC/ST/OBC people have been the essence of administrative changes. Efforts have been made to revamp and upgrade the Human and material Resources of Cultural Research Institute. Emphasis is given on capacity building, skill development and vocational training to ensure empowerment of SC/ST beneficiaries and students. On-line application of SC/ST/OBC caste certificate is one such attempt.

- IX. Inspectors at Sub-Division and Block Level offices.

Organization Chart of the Department is given at **Annexure-B**.

BCW Department is the nodal department for protecting the rights and development of SC/ST/OBC population of the State. 28.0 % of the plan budget of every department is mandatorily earmarked for development of SC/ST. BCW Department monitors this expenditure and submits reports to the Government of India. Plan expenditure in direct proportion to the population of SC/ST in the State is a pre-condition for sanction of fund under SCA to SCSP and SCA to TSP. In addition to this funds are received from Gol under Article 275 (1) of the Constitution of India.

The Departmental set-up is as follows:

- A) The BCW Department is headed by the Hon'ble MIC. The Secretary assisted by the Special Secretary, two Joint Secretaries, one Joint Commissioner for Reservation and Ex-Officio Joint Secretary, other officials and staff monitors and controls the Administrative & Planning activities of the Department. The Joint Commissioner for Reservation looks after various matters relating to Reservation, Prevention of Atrocities and protection of Civil Rights of SC & ST.
- B) The Directorate is headed by the Commissioner BCW, assisted by the Joint Director, Deputy Director, Assistant Director and other officials. District is headed by the Project Officer-cum-District Welfare Officer/ District Welfare Officer and staff. In addition to this, there are Backward Classes Welfare offices in Jhargram, Alipurduar, Kalimpong and Basirhat Sub-divisions as the concentration of population of SC/ST is substantial in these Sub-Divisions. In each of the Sub-divisional Offices there are Inspectors to

conduct inquiries for issuing caste certificates and to attend to other issues concerning SC/ST/OBC.

- C) Department has a few Assistant Engineers and Sub-Assistant Engineers to look after the Community Development Schemes executed by this Department. The developmental works especially schematic works are generally executed through the Blocks / Panchayat Samities / Zilla Parishad etc. Some jobs are also assigned to Departments specialized in respective fields. District Welfare Committees and Block Welfare Committees select, monitor & supervise these works on behalf of this Department.
- D) Cultural Research Institute (CRI) is a Research Organization under the administrative control of this Department. This Organization is headed by the Director assisted by Deputy Directors, Cultural Research Officers, Research Investigators and other Staff.
- E) There are three Corporations under the administrative control of this Department. These are: (1) The West Bengal Schedules Castes and Scheduled Tribes Development and Finance Corporation (WBSCSTDFC), (2) The West Bengal Backward Classes Development and Finance Corporation (WBBCDFC) and (3) The West Bengal Tribal Development and Co-operative Corporation Ltd. (WBTDCCLtd.). These Corporations execute different Programmes/Schemes of the Department, especially in extending financial support through Banks and other Financial Institutions. The WBSCSTDFC has offices in each District headed by District Managers. The WBTDCCLtd. has Regional Offices in Jalpaiguri, Purulia, Jhargram and Bankura and Branch Offices at Malda and Suri. WBTDCCLtd. is an apex Organization for the LAMPS.
- F) Govt. of West Bengal has set up the West Bengal Commission for Backward Classes which scrutinises the claims of different communities regarding their inclusion in the list of OBCs. The Commission, after conducting the Socio-Economic enquiries recommends for inclusion or exclusion of a community to the list of OBC which generally may be accepted by the Government.

CHAPTER-III

CENTRAL GOVERNMENT ASSISTANCE

Ministry of Social Justice and Empowerment & Ministry of Tribal Affairs, Government of India allocate fund for the welfare of SC & ST under three major heads, SCA to SCSP, SCA to TSP, Article 275 (1) of the Constitution of India. Allocation under these heads depends on guaranteed allocation of fund in the plan budget of all Government Departments proportionate to SC & ST population of the State. SCA to SCSP is meant for welfare of the Scheduled Castes while SCA to TSP is dedicated to the Scheduled Tribes. Under SCA to SCSP, 90% fund is spent towards income generation schemes dovetailing with bank loan. Rest 10% of fund is earmarked to fill up critical gaps in existing infrastructure. Under SCA to TSP, 70% fund is spent towards income generation schemes and the rest 30% is earmarked to fill up critical gaps in the existing infrastructural spent schemes. 100% Fund under Article 275(1) of the Constitution of India is exclusively used for infrastructural assistance in the tribal dominated areas.

F. WADI SCHEME

WADI is a small horticultural orchard surrounded by forest species. Essentially the WADI project envisages development of about 0.5 to 1.5 acres of land per each tribal family for growing orchards surrounded by forest species. The forest species would cater to fuel, fodder and other small timber needs of the tribals while processing of the fruits, direct selling in the market etc. WADI Project to act as income generating sources for the poor tribal families. The project also emphasizes soil conservation, minor irrigation sources, women development and other social sector parameters. The WADI project was first introduced during 1980 in Gujarat & has been replicated in other states.

The following 6(six) WADI projects are being implemented in West Bengal with joint venture of NABARD. As per the terms & Conditions, 50% of the total project cost will be shared by NABARD and remaining 50% will be met by the BCW Department out of the fund under SCA to TSP. So far, the BCW Department has utilized Rs.1,30,62,000/- for WADI projects.

CHAPTER-IV

RESERVATION

Implementation of Reservation Policy in respect of SC, ST and OBC in services & posts under the Govt. of West Bengal

Introduction: The concept of reservation for SC & ST has its genesis in the Constitution of India. Articles 15, 16, 17, 46, 164, 330, 332, 334, 335, 338, 340, 341, 342 & 366 of the Constitution of India have provisions concerning SC, ST & OBC. In West Bengal, the policy on Reservation in Services and Posts is administered by “**The West Bengal Scheduled Castes and Scheduled Tribes (Reservation of vacancies in Services and Posts) Act, 1976**” and also “**The West Bengal Scheduled Castes and Scheduled Tribes (Reservation of vacancies in Services and Posts) Rules, 1976**” framed under the Act. Reservation of SC & ST in admission to educational institutions, and Reservation in services & posts for OBC & reservation in admission for OBC are guided by Notifications issued from time to time.

Different aspects of reservation for SC, ST & OBC may be discussed in the following manner:-

A. Reservation in services and posts for SC & ST.

Govt. of West Bengal passed “**The West Bengal Scheduled Castes and Scheduled Tribes (Reservation of vacancies in Services and Posts) Act, 1976**” and also framed “**The West Bengal Scheduled Castes and Scheduled Tribes (Reservation of vacancies in Services and Posts) Rules, 1976**” under the Act. The Act and the Rules have been amended as per necessity. A number of Notifications and orders have also been issued. The main features of these reservation norms are as follows:-

1. The provisions of this Act shall **not apply** in relation to any employment under the **Central Govt.**, in the **WBHJS**, any **Private Employment**, any employment in **Domestic Service** and in case of **Single Post Cadre**.
2. In case of promotion posts, in addition to the conditions mentioned above, there will also be no reservation in posts having Grade pay **exceeding Rs.8,700/-**.
3. As per provisions of this Act, **22%** of the vacancies shall be reserved for **SC** and **6%** shall be reserved for **ST**. Reservation at this rate is to be maintained for direct recruitment as well as for promotion.
4. To maintain this reservation, **two rosters** have been provided. One roster is **100 point roster**, to be maintained for **direct recruitment**. Another roster, a **50 point roster** is to be maintained for **promotion**.
5. All employers have to maintain separate registers called **Register of Appointments (ROA)** for different categories of posts and also separately for direct recruitment and for promotion posts.

6. To facilitate maintenance of ROA, a cut-off date on **27-03-1990** has been fixed. All the vacancies as on that date has to be listed in the ROA. The format of the ROA has been mentioned in the Rule. All subsequent vacancies are to be written in the ROA and reservation has to be done as per the relevant 100 point or 50 point roster depending on the nature of vacancy (direct or promotion).
7. **Authentication:** The ROA has to be authenticated by the Competent Authority from time to time, especially as or when vacancies are filled up. **Authentication** of ROA is done by the District Magistrate and District Reservation Commissioner in case of Districts and by the BCW Department in case of Kolkata.
8. **De-reservation: De-Reservation** of a reserved post can be done on the ground of non-availability of suitable reserved candidate, despite best efforts. For this, application in the prescribed format with proof of non-availability has to be submitted by the Appointing Authority. DM & Dist. Commissioner for Reservation for Schools in Districts and BCW Deptt. for Kolkata are the authorities for de-reservation in Schools. In all other cases, the State Government in the BCW Department is the authority for De-reservation. De-reservation is granted by carrying forward the reserved vacancy to nearest available general vacancy. However, de-reservation is also allowed by carrying forward the reserved vacancy to future unreserved vacancies. There is no specific order as the number of attempts for recruitment to be taken before applying for de-reservation, but the authority granting de-reservation has to ascertain that sufficient attempts have been made to recruit candidates belonging to reserved categories.
9. **Regularisation:** If the Appointing Authority violates the provision of reservation by filling up reserved vacancy with a different category of candidate, he can approach the Govt. for regularisation of the violation. **Regularisation** can be granted by the **Department** by carrying forward the reserved vacancy to nearest available general vacancy. However, in case of educational institutions only such regularisation is also allowed by carrying forward the reserved vacancy to future unreserved vacancies.
10. Every Appointing Authority is required to furnish **two reports** in the prescribed format **annually**. These are:-
 - a. Report on total number of employees and the number of SC & ST amongst them on 1st January of every year.
 - b. Report on total number of recruitments during the last calendar year and the number of SC & ST amongst them.
11. If an appointing authority makes an appointment in **contravention** of the provisions of this Act or fails to maintain records or to furnish annual returns, he shall be **punishable** with imprisonment for a term of 5 years or with fine of Rs.2,500/-.
12. For getting the **benefit of reservation** candidate will have to produce a statutory caste certificate obtained from the competent authority. The benefit of reservation will be available **from the date of obtaining that certificate**.
13. In addition to the benefit of reservation, a reserved candidate can claim **age relaxation** in case of appointments not only for reserved posts, but also **for unreserved posts**.

14. **Benefit** of reservation can be claimed by a reserved candidate only from his **State of origin**, not from the State he may migrate.
15. **BCW Department** of the **Govt. of West Bengal** administers the provisions of these Acts and the Rules. Ministry of **Social Justice and Empowerment, Govt. of India**, looks after the matters relating to **SCs and OBCs** and Ministry of **Tribal Affairs, Govt. of India**, looks after the matters relating to the **ST** at the Central level. In this State there is a State Reservation Cell at the State Level and a District Reservation Cell in each District to monitor implementation of reservation norms.

There are two National Commissions – **National Commission for Scheduled Castes** and **National Commission for Scheduled Tribes**. They monitor, evaluate the welfare activities of the State and Central Governments and suggest measures for improvement.

B. Reservation of SC & ST in admission to educational institutions:

1. Government of West Bengal has also provided reservation **@ 22% for SC & 6% for ST** in case of **admission to educational courses**.
2. A **separate merit list for SC & ST** candidates has to be prepared. SC & ST candidates qualified for general merit list will not be counted for reserved quota in admission.
3. Seats reserved for SC remaining unfilled by SC candidates may be filled by ST candidates and vice versa.
4. In case of **non-availability of SC/ST** candidates, seats can be filled by **general candidates** after obtaining **permission from prescribed authority**. Prescribed authorities for the districts are the respective District Magistrates and for Kolkata, Commissioner and Joint Commissioner for Reservation.

C. Reservation in services & posts for OBC & reservation in admission for OBC

1. There is no Act to guide the principles of reservation for OBCs. Notification No. **347-TW / EC dated 13-07-1994** was the first Notification to introduce the matter of reservation for OBCs in services and posts under the State Government. 5% posts were reserved then for OBC. This was increased to 7% in 1999 and lastly to 17% from 24-09-2010.
2. However, OBC persons falling under 'Creamy Layer' are excluded from the provision of reservation.
3. A Bill "**The West Bengal Backward Classes (Other than the Scheduled Castes and the Scheduled Tribes) (Reservation of vacancies in Services and Posts) Bill, 2012**" for the reservation for OBC in jobs in the State Govt. sector will be submitted to the Legislative Assembly.
4. OBCs have been divided into two categories – OBC Category – A and OBC Category –B. More backward classes within OBC have been included in OBC-A and others in OBC-B. This categorization has been done on the basis of a sample survey conducted by the

University of Calcutta. The relative backwardness of 108 classes have been determined through that survey and those classes have been enlisted as OBC –A or OBC-B.

5. Covering all reservation quotas for SC, ST, & OBC, one **100 point roster** has been prescribed which is used to ensure reservation of services and posts for SC, ST & OBC in West Bengal. The 100 point roster containing all points reserved for SC, ST, OBC-A and OBC-B including reservations in the exempted category, Ex-Military, physically challenged and meritorious sports person has been published on 01-03-2011.
6. Since there is **no provision for reservation in promotion** in respect of OBCs, 50 point roster is not required to be maintained for OBCs.
7. **Authentication, De-reservation and Regularisation** in respect of OBCs are done following the same principle as in cases of SC & ST. The same ROA is used for SC, ST & OBCs taken together. Annual returns etc. are also to be furnished in the same manner as in cases of SC & ST.
8. As on 31-03-2012, **108 classes** are listed as OBCs. 56 among those are included in OBC-A, and the remaining 52 in OBC-B. 64 minority communities are enlisted as OBC, out of which 53 are Muslim and the others are Christian, Buddhist and Jain.
9. Recently a sample survey on 47 communities has been conducted to determine their relative backwardness. 35 of those classes have already been recommended by the **West Bengal Commission for Backward Classes** for inclusion in the list of OBC, the others being applicants for such inclusion.
10. In case of admission to educational courses, **7% reservation** has been provided in respect of **admission to Primary, Secondary and Higher Secondary courses**. No reservation for OBC in higher education has yet been introduced here. The Government is actively considering introducing it in the State.
11. **West Bengal Commission for Backward Classes** has been set up here in 1993. The Commission looks after the matter of identification of communities to be listed as OBC.

CHAPTER – V

Issuance of Caste Certificates

Introduction: Caste Identification Certificates, popularly known as Caste certificates are required by to SC/ ST /OBC people for availing benefits of reservation extended by the State as well as the Central Government in obtaining jobs in the Government Sector. Caste certificates for SC & ST are issued in terms of ‘**The Scheduled Castes and Scheduled Tribes (Identification) Act, 1994**’ and Rules framed there under. OBC certificates are issued in terms of Govt. **Notification No. 347-TW / EC dated 13-07-1994**. Simplified Guidelines for issuance of OBC & SC/ST Certificates have recently been issued vide BCW Deptt. No. 1464-BCW & 1465-BCW both dated 30-04-2010. Salient features of caste certificates are discussed below:-

A. Procedure:

1. **SC /ST / OBC certificates** (caste certificates) are issued by **SDOs** in all Sub- Divisions. In **Kolkata**, certificates are issued by **ADM, South 24 Pgs**.
2. There is no age bar in respect of issue of SC/ST/OBC certificates.
3. SC/ST certificates are issued in the prescribed format. All appointing authorities under the Central Govt. or the State Govt. are to accept the Caste certificates issued by the competent Authorities.
4. Normally, caste certificate should be obtained by a person from his State of origin. But the SDO where the incumbent is residing can also issue certificate if the father of the applicant obtains certificate from the competent authority of his State of origin and this is verified by the SDO concerned.
5. Benefit of reservation can be claimed by any person in his State of origin only, and not in the other State. State of origin in respect of a person belonging to SC and ST is the State where he or his predecessor lived /lives since 1950. In case of OBC, State of origin is determined on the residential status of applicant as on 1993.
6. Applications for Caste certificates are made in a prescribed format. Applications are generally received at Block Offices and at SDO Office for Municipal areas. On-line application facility certificates has also been introduced in some areas and is likely to be introduced all over the State. A simple two-page format of application in place of an earlier six-page format has been introduced.
7. To be eligible to get a caste certificate, the following proofs in respect of an applicant is needed:
 - i) Proof of identity,
 - ii) Proof of residence at the present notified location,
 - iii) Proof of permanent residence in West Bengal,
 - iv) Proof of citizenship, and
 - v) Proof as to belonging to a particular Caste / Community
 - vi) Proof of not belonging to creamy layer (in case of OBC)

8. In case the applicant fails to produce any documentary evidence, it is the duty of the Issuing Authority to determine eligibility of the applicant to get a caste certificate.
9. After receipt of an application, preliminary scrutiny is done to verify the documents. If the applicant furnishes a caste certificate of person having blood relation with him, that certificate is verified from the issuing authority, and applicant's relation with the certificate holder is confirmed. If these are found ok, caste certificate is generally issued after verifying residence and citizenship.
10. If there is no documentary proof as to caste status, the matter is enquired. If necessary, public hearing is also done.
11. In case of inadequacy of evidence the recommending / issuing authority can obtain an affidavit in the prescribed format in support of the claim.
12. Certificate is issued only after being satisfied as to eligibility.
13. In case of OBC certificates, non-creamy layer certificate is needed as eligibility.
14. Applications for certificates were earlier to be disposed of within eight weeks from the date of receipt of application. This has been reduced to four weeks.
15. There are two kinds of caste certificates allegedly being fraudulently obtained by some persons. First, fake or forged caste certificates, secondly, a certificate has been obtained by an ineligible person through misrepresentation of facts and other fraudulent methods. In the first case, this has to be dealt with in terms of Criminal Laws. For the other case, SDO is the competent authority to initiate proceedings for cancellation of the certificate as per provision of the Act and the Rule.
16. The State Govt. has also set up a Scrutiny Committee at the State Level and Vigilance Cells in all Districts to deal with both the types of cases as mentioned above. The provisions in the constitution of the District Vigilance Cell have been amended to include an Additional District Magistrate as Chairperson of the Cell.
17. As on 31-03-2012, **60 castes as SC and 40 tribes as ST and 108 classes as OBC** have been identified in West Bengal. The OBCs have again been classified into two groups; OBC Category-A and OBC Category-B.
18. The percentages of reservation in State Government sector for SC, ST, OBC-A and OBC-B are as follows:-

SC – 22%

ST – 6%

OBC-A – 10%

OBC-B – 7%
19. Income criterion in case of determination of **Creamy Layer** amongst OBC has been revised **to Rs.4.5 lakh w.e.f 03-10-2008 by GOI**. Similar Notification has also been issued by Govt. of West Bengal.
20. A provision has been included for issue of **duplicate caste certificate** by an Amendment.
21. Detailed guidelines on issuance of SC / ST / OBC certificates have been widely circulated and are available in the website of the BCW Department.

B. Performance:

1. A bar chart **on issuance of caste certificates** since 2001 is shown below. It is evident that there has been considerable improvement in the matter of issue of caste certificates during the last year. Reports on certificates issued and applications pending are also annexed. It may be mentioned here that about **50,000 - 60,000** applications on an average are filed every month.

NUMBER OF CASTE CERTIFICATES ISSUED FROM 2001 TO 2011

2. Pendency and action taken to reduce it:

With reduction of time limit in disposal of applications there has been substantial improvement in issuance of caste certificates and no. of pending cases has been reduced by 50% by the end of March, 2012.

C. Problems and difficulties:

1. Demand for issue of caste certificates have been considerably increased in recent times. Pressure from different Pressure Groups is thus mounting on the SDOs and BDOs.
2. There are attempts to obtain caste certificates through misrepresentation of facts, so a certificate issuing authority has to be reasonably cautious.

3. Non-availability of previous records needed for verification of certificates issued to blood relations of the applicants causes delay in verifications.
4. Acute shortage of BCW Inspectors causes delay in disposal. Fresh Applicant is not interested in this post as there is no scope of promotion for the Inspectors.
5. Determining caste identity in certain cases become difficult, as applicants cannot produce documents and enquiry also cannot conclusively determine the community status.
6. Migration from other States, or even from other districts, often cause problem in determining a case. A migrant from other State can apply for caste certificate under certain conditions, but the person can get the benefit of reservation only in his State of origin.

D. Special Problems of OBC:

1. Beside determination of caste identity and residence, the issuing authority has also to determine '**creamy layer**' status of the parents. Persons belonging to OBC but falling under '**creamy layer**' are not issued OBC certificates.
2. Most of the applicants being first generation, there is no past record of certificates as proof of community identity. In absence of documentary evidence, the authority has to resort to enquiry, hearing etc. causing some delay.
3. Moreover, in certain cases, there is problem in identifying a particular community as currently the members of that community are not maintaining their social rites and rituals and are also not under their traditional occupation.

E. Recognition of a community as OBC:

1. West Bengal Commission for Backward Classes is authorised to recommend a community to be included in the list of OBCs. The Commission receives application in the prescribed format for inclusion of a community in the list of OBCs and disposes of the application as per norms after field visit, study, hearing etc.
2. The Commission generally takes assistance of CRI, eminent lawyers, faculty of Universities, persons knowledgeable in social, economic and educational fields.
3. After analysis of all the information, the Commission takes a judicious view and recommends for or against the proposal. Detailed report on the findings of the Commission is sent to the Govt. for further action.
4. Recommendation of the Commission is generally accepted by the Govt. So far 143 classes have been recommended by the Commission. 108 classes have been included in the lists of OBC as on 31-03-2012. Other recommendations are being processed for acceptance.
5. Besides recognition of a class as OBC by the State Government, the Government of India also recognises OBCs for each State for Central Government purposes. Currently 61 classes have been included in the Central list of OBCs for West Bengal.

Recommendations for many more OBC classes included in the State have been sent to Govt. of India for inclusion in the Central list.

F. Categorisation of OBC

1. The 108 classes identified as OBC have been divided into two groups- OBC-A and OBC-B. This was done by the State Government on the ground of the degree of backwardness. The degree of backwardness was determined through two sample surveys conducted by the State Government through different agencies.
2. Of the 108 OBCs recognised OBC Category – A contains a list of 56 Classes, out of which 49 classes belong to Muslim. OBC Category – B contains a list of 52 classes, out of which 4 classes belong to Muslim community. Besides Muslims, there are 11 other minority classes in the list of OBCs.
3. The cultural Research Institute has been assigned the job of sample survey on 47 Classes for determination of relative backwardness and categorization of them into OBC-A or OBC-B before inclusion in the OBC list. The survey has been done. 35 more classes are likely to be added to the lists of OBC.
4. Reservation in jobs for OBCs has been increased from 7% to 17% on 24-09-2010, out of which 10% has been reserved for OBC Category – A and 7% for OBC Category – B.

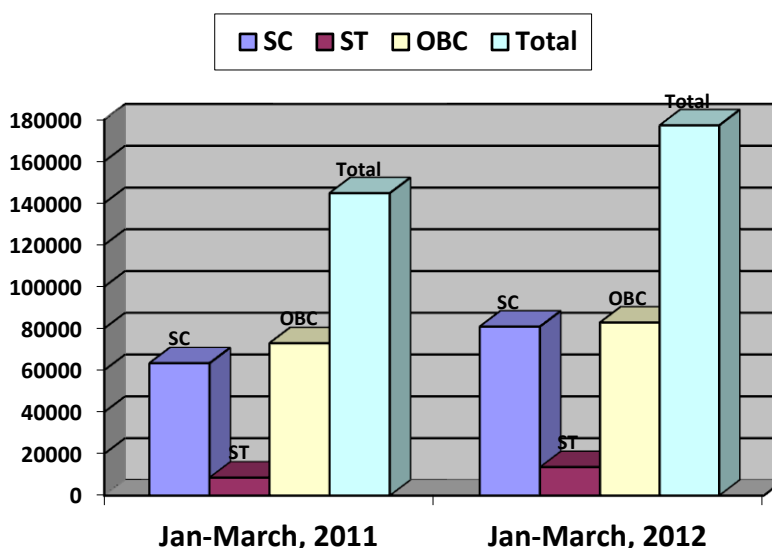

G. Action taken to improve performance:

1. Workshops have been held in many districts to stress on the importance of this work and also to dispel confusions and doubts regarding the procedure to be adopted for quick disposal of applications for issue of caste certificates.
2. Special camps are being organised by SDOs to dispose of pending applications. The objective of all these camps are to:-
 - i. Disposal of all pending applications;
 - ii. Receiving fresh applications;
 - iii. Enquiry / hearing on the spot.
3. Arrangement for introducing on-line service regarding issuance of caste certificates has been made. NIC has been entrusted with the job of developing the software. Under this system, an applicant shall have the option to apply on-line for a caste certificate, can learn the status of his application on-line and can also have information regarding disposal of his application. The service has started in a number of sub-divisions. Arrangements are being made to start this programme all over the State excepting the districts of Bankura and Jalpaiguri.
4. The IT Department has taken up a separate project under e-district project to start on-line issuance of caste certificates in the districts of Bankura and Jalpaiguri. Necessary Government Order has already been issued.

5. Arrangement for digitisation of all previous data regarding issued caste certificates has been made. This will help instant verification of certificate of blood relation submitted as proof of caste identity.
6. Departmental website **www.anagrasarkalyan.gov.in** has been launched. The website contains, all relevant information, procedure, guidelines, Acts, Rules, Govt. orders etc. relating to issuance of caste certificates. Forms are also available in the website.
7. To combat the current shortage of Inspectors, the State Government has allowed engagement of 341 additional inspectors for Blocks and 158 inspectors for municipal areas from among retired Govt. employees on contract basis. 100 more additional inspectors against regular vacancies have also been allowed to be appointed on contract.
8. Proposal for creation of promotion channel for Inspectors and BCWOs is under consideration.
9. The Department is closely monitoring the progress of work and attending all queries, complaints promptly.
10. Cultural Research Institute is being engaged often to make field level studies to come out with solutions in specific problems and difficulties.
11. Several Orders and Notifications have recently been issued to guide the Certificate Issuing Authorities and also clarifying certain points.

H. Conclusion

Recent initiatives have started yielding results. A large numbers of pending applications have been disposed of. Now, there is hardly any application pending for more than two months. An increase in infrastructure will surely bring forth better results. A comparative study on caste certificates issued during January to March in 2011 and 2012 shown in the chart below will clearly spell out the impact of recent initiatives taken in this regard.

CHAPTER-VI

ACT & RULES

PROTECTION OF CIVIL RIGHTS ACT, 1955 & PROTECTION OF ATROCITIES ACT, 1989

The Protection of Civil Rights Act 1955(Act no 22 of 1955) has been enacted for meting out punishment for preaching and practising 'untouchability'. The Scheduled Castes and Scheduled Tribes (Prevention of Atrocities) Act, 1989 has been enacted (Act 33 of 1989) to prevent atrocities against Scheduled Castes and Scheduled Tribes. The objective of both the Acts is to remove humiliation and harassment meted to SC and ST to ensure their fundamental, socio-economic and political rights.

The primary responsibility for prevention, detection, registration, investigation and prosecution of crimes including crimes against SC and ST lies with the State Government. West Bengal does not have a specific atrocity prone area; however there are few incidents of atrocities against the Scheduled Castes and Scheduled Tribes. State Govt. attaches highest importance for prevention and control of crime against Scheduled Castes and Scheduled Tribes, and District Level Vigilance and Monitoring Committee of all Districts have been reconstituted on 29th November 2011. Relief and Rehabilitation facilities have been provided to the victims of atrocities. SC and ST Protection Cell of West Bengal Police and Kolkata Police have been set up. District Session Courts have been designated as Special Courts and Public Prosecutors have been designated as Special Public Prosecutors to try offences under this Act.

All the District Magistrates and Superintendent of Police, Police Commissioner, and Commissionerate have been requested to ensure that the investigations of such cases are completed within 30 days by an officer not below the rank of Deputy Superintendent of Police. For awareness of target population regarding the provisions of PCR Act and POA Act, Flex Boards displaying provisions of both the Acts have been installed in block headquarters and in conspicuous places. Handbill containing the provisions of PCR and POA were printed and distributed in all the blocks.

In 20011 – 2012 State Govt. paid monetary relief to 3(three) victims@ Rs. 25,000/- each as 50% of the total relief amount under SC & ST (POA) Act. According to Notification No. G.S.R. 896(E) dated 23.12.2011 of Ministry of Social Justice & Empowerment of Govt. of India has increased the minimum scale of relief for victims of atrocities by 150%.

To facilitate inter-caste marriage State Level Vigilance & Monitoring Committee decided in the meeting held on 30.07.2008 to enhance the amount of inter-caste marriage incentives from Rs.5,000/- to Rs. 30,000/-. At present, 600 cases are pending for payment of the said incentives since the scheme of payment of incentives is on 50:50 basis. Govt. of India has been moved to release the Central Share immediately.

CHAPTER-VIII

EDUCATIONAL SCHEMES

Educational Schemes for Development of Education among SC, ST and OBC in West Bengal

The Backward Classes Welfare Department executes a good number of educational schemes aimed at spreading education among the SC, ST and OBC in the State. While there is contribution of the Government of India in Post-Matric Scholarship schemes for SC, ST and OBC and Pre-Matric Scholarship for the OBC and some special schemes like Centrally Sponsored Pre-Matric Scholarship to the children of those engaged in Unclean Occupation and Up gradation of Merit for Students reading in Classes IX to XII, all other schemes at Pre-Matric level are funded exclusively by the State Government. Details of educational schemes executed by the BCW Department are as follows:-

A. SCHEMES AT PRE-MATRIC LEVEL EXCLUSIVELY FUNDED BY THE STATE GOVERNMENT

1. Book Grant to SC/ST students.

The scheme provides financial assistance for purchase of books to the students of classes V to X in Government /Govt. aided schools. Family income ceiling for eligibility is up to Rs.36, 000/- per annum. The class wise rates of such grant are given below:

Class	Rate
V	Rs. 20/- per annum
VI	Rs. 150/- per annum
VII	Rs. 200/- per annum

CHAPTER-X

FOREST RIGHTS ACT

Implementation of the provisions of the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 in the State of West Bengal

1. **Objective:** The main objective of this process is to recognize forest rights of the Scheduled Tribes and Other Traditional Forest Dwellers, who have been living inside forest areas or using forest resources for their main livelihood.
2. **Identification of the scope of work:** Out of the 18 Districts of the State, 11 districts are identified where there is a scope of implementation of the provisions of the Forest Rights Act. They are: - Purulia, Bankura, Paschim Medinipur, Jalpaiguri, Burdwan, Cooch Behar, Hooghly, Birbhum, Darjeeling, Murshidabad and Nadia.
3. **Action Plan:** The following steps were taken to start the process of recognition of Forest Rights :
 - a) Formation of the State-Level, District-Level, Sub-Divisional-Level Committees and also Forest Rights Committees.
 - b) Arrangement for building awareness regarding provisions of the act and its process of implementation by **holding camps at State-Level, Divisional-Level, District-Level and Sub-Divisional Level.**
 - c) Arranging training programmes for Master Trainers.
 - d) Setting up of coordinating machinery amongst different departments.
 - e) Fixation of target regarding invitation of claims, enquiry and awarding Patta.
4. **Initiation of the process of implementation:** The process of implementation was initiated in the month of February, 2008 after policy decisions taken at a State-Level. It was also decided to constitute Forest Rights Committees, Sub-Divisional Level Committees and District Level Committees, and start receiving claims. All the Forest Rights Committees in all the respective districts excepting three Hill Sub-Divisions of the Darjeeling District were formed by the stipulated time. A total of 2819 Forest Rights Committees. 12 District-Level Committees and 33 Sub-Divisional Level Committees were formed.
5. **Receiving of claims:** Receiving of claims started latest by 31st July, 2008 and was completed on 31-10-2008. **Lowest tier of the Forest Department, Land & Land Reforms Department, Panchayat & Rural Development Department and the Backward Classes Welfare Department** was tagged with the Forest Rights Committees. They and members of the Forest Rights Committees, held camps to facilitate filing of claims. A Block-Level Committee was also set up to monitor the

activities of the Forest Rights Committees and to keep a link between the Sub-Divisional Committee and the Forest Rights Committees.

6. Disposal of claims:

A. Claims were filed in all the respective ten districts i.e. Purulia, Bankura, Paschim Medinipur, Jalpaiguri, Burdwan, Birbhum, Cooch Behar, Hooghly, Murshidabad and Darjeeling (Siliguri).

Following is the details of claims files in these districts:

CHAPTER-XIV

W.B. Backward Classes Development & Finance Corporation

West Bengal Backward Classes Development & Finance Corporation [WBBCDFC] has been established by Govt. of West Bengal under an Act (Act XIX of 1995) on 10.10.1995 for rendering financial assistance in the form of schematic loans to persons belonging to other backward classes living below double the poverty line. The WBBCDFC has however started functioning on and from 27 March 1999.

Therefore, the Corporation has by now completed about 13 years of its journey.

Major objectives of the WBBCDFC are:

1. To promote economic activities for the benefit of the **Other Backward Classes (OBC)** in the state.
2. To assist individuals or groups of individuals belonging to OBCs in the form of soft loans and advances for economically viable schemes and projects.
3. To extend loans to the meritorious students belonging to OBCs and pursuing higher education in India or abroad.
4. To assist to the upgradation of technical and entrepreneurial skills of OBC people.

Schemes under Implementation

The WBBCDFC acts as a State Channelizing Agency of **National Backward Classes Finance and Development Corporation (NBCFDC)** in the state implementing schemes as designed by it. Brief description is given below:

Term Loan

Individuals who possess OBC certificates issued by competent authorities and who are engaged in activities like agriculture, manufacturing, small business, services etc. may come up with the proposals. There should be a guarantor, an employee of Government or Govt-aided organization, against the loan. Loan amount is shared respectively by NBCFDC and WBBCFDC and 85 and 10 percent, while the beneficiaries are required to mobilize at least 5% of the project cost towards own contribution. Rate of interest payable against term loan is 6% p.a. Repayment is to be completed from 4th month of disbursement and in 20 quarterly installments.

When the applicant is a woman and she belongs to BPL category, she may opt from the **New Swarnima**, a subscheme of Term Loan. Rate of interest for the scheme is 5% p.a. It does not require self contribution by the beneficiary as well. 95% of project cost is advanced by NBCFDC, while 5% is provided by WBBCDFC for the scheme.

Another subscheme under Term Loan is **Margin Money** scheme, while Bank will provide 50% of the project cost, WBBCDFC will allow 40% of the Loan and remaining 10% will be borne by the entrepreneur.

Two new sub-schemes under Term Loan have been introduced in 2012-13. They are **Saksham & Shilp Sampad**. Self employment ventures after completion of professional courses are considered under Saksham. Similarly, manufacturing units in traditional craft are considered under Shilp Sampad. Interest is charged for both the schemes @6% for upto Rs.5 lakh of loan and @8% for remaining loan if it is more than Rs.5 lakh and within Rs.10 lakh.

Beneficiary of Swarnima scheme

Education Loan

This Loan is provided for the student of Graduate and post-graduate courses approved by AICTE, Medical Council of India or UGC. Applicants having steady academic records and the course interested to pursue with having fair scope of placement receive priority. 90% of Loan comes from NBCFDC. 8. Provides Success Stories to the Department of Backward Classes Welfare, Government of West Bengal as well as the Ministry of Tribal Affairs, Government of India.

Museum :

Collection and Display of Ethnographic Specimen of different tribal groups of West Bengal are done through the Museum of the Cultural Research Institute. The Museum of this Institute is holding nearly five hundred composite specimens for display in the showcases. Most of the specimens are bio-degradable, which requires attention and care. Specimens of the Museum are covering a panoramic view of tribal style of life in West Bengal. This Museum is a treasure house of tribal heritage. Here, preservation as well as storage is done for many artifacts alongwith explanatory notes. The Museum has also taken up a program for its modernization with the help of digital technology. A permanent Exhibition Gallery is also annexed to the Museum. Internship Training program for Post-Graduate students of Museology was conducted by this section.

Audio-Visual Unit:

The Institute has a large collection of photographs and around 25 documentary films related to various aspects of socio-cultural and economic patterns of life prevalent among the various ST, SC and other backward communities of West Bengal. Most of these have now been transferred to the DVD format with financial assistance from WBTDCC Ltd. for ensuring ease-of-transmission and better preservation.

Publication:

A Quarterly Bulletin of the Cultural Research Institute is published since 1962. The Institute has also published a number of Books and Monographs and two important Handbooks – one on the Scheduled Castes of West Bengal and another on the Scheduled Tribes of West Bengal for ready official reference of the Department & its linked offices. A Bengali Journal of the Department of Backward Classes Welfare named '*Uttaran Samayiki*' was also published from this Institute.

Cultural Activities : Organizing & Participation

1. Primary Level Bhawaiya Sangeet Competition and the Santal One-Act Drama Competition (Regional Level) are organized by the Department every year.

6. KRISHI SHRAMIK KALYAN KENDRA (KSKK)

KSKK, a humble initiative for grassroot level intervention into the major problems of backwardness among the Landless Agricultural labourers, especially those belonging to the target group has been established at Mouza- Helencha, PS-Bagda, District North 24-Parganas on a pilot basis. A database of identified families is being prepared. They are being provided assistance through prevailing schemes of the BCW Department.

7. MOBILE HEALTH CARE

A Mobile Health care unit for generating health awareness and providing preventive health care in the remotely located SC dominated Villages of Bongaon Sub-Division has been launched on Pilot Basis. This unit has regularly been visiting remotest parts of the sub-division as per pre-fixed schedule. Huge demand of the services provided has been envisaged in the locality. Based on the success of this Pilot Project it has been decided to replicate it with some modifications in 100 Block/ Municipalities falling under the Assembly Segments reserved for SC/ ST candidates.

8. CAREER APTITUDE TEST (CAT)

Career Aptitude Test using **David's Battery of Differential Abilities (DBDA)** was administered to the awardees of Ambedkar Medha Puraskar 2010 and 2011 to facilitate choice of the right career by the students and their parents. CAT was conducted in all the Districts of the State in which about 1200 Students of Class XI/XII participated. Recommendations indicating career options based on the results of CAT in respect of each participant have been uploaded in the Departmental Website.

9. PRE-EXAMINATION COACHING FOR UPSC CIVIL SERVICES EXAMINATION - 2013 [INDIAN ADMINISTRATIVE SERVICE (IAS)]

Pre-Examination Coaching for meritorious SC/ST aspirants intending to appear in the Civil Services Examination -2013 has been announced. This intensive residential training would be provided through reputed IAS Study Centre in Delhi. State Government will bear entire expenses of the training. Initially this facility would be provided to 50 SC/ST students to be selected through written test followed by interview. The training would start in May/June-2013.

10. JOB FOCUSED TRAINING PROGRAMME FOR SC & ST YOUTH

Job-focused Training Programme was introduced with the objective of increasing employability of SC/ST candidates. Out of 1345 SC/ST youths trained in Security Guard & Steel worker Trades, 1043 were provided job employment in private sector. Training in Plastics Engineering & Technology trade was provided to 144 SC/ST Candidates through Central Institute for Plastics Engineering & Research (CIPET), Haldia. Out of them 120 were provided job employment. Training of another 2000 SC / ST candidates in Security Guard trade has already been initiated. On-line registration at www.wbsed.gov.in/wbscstdfc is in progress. A call centre (033-655501888/ 65501999) to provide assistance has been set up (In CIPET, Haldia residential training of 300 SC and 100 ST candidates on three trades of Plastics engineering is in progress).

Classes would be held at CRI, Kankurgachi Ambedkar Bhavan 2-days in a week. The learners are expected to enhance their pronunciation, fluency, vocabulary and communication skills after completing the course successfully.

13. COMMON FACILITY CENTRE (CFC)

The Backward Classes Welfare Department has recently obtained an innovative scheme from the Government of India for providing assistance to the tribal people towards obtaining different benefits and facilities provided by the Government. Under this scheme, 40 Common Facility Centres (CFC) are being set up in 40 Blocks dominated by tribal population at a total cost of Rs.5.60 Crore granted by the Ministry of Tribal Affairs, Govt. of India. These CFCs will be manned by educated tribal youth. 50 per cent of such youth will be women.

The objective of these Centers is to provide assistance to tribal people towards making available and filling up of forms for caste certificates, for individual loans, scholarships, grants and all other facilities provided by the government. Adequate

infrastructure like computers, fax, telephone, photocopier, printer, Internet connection etc. will be available at the Centre. The services can be availed by the tribals at a marginal service charge. Even SCs and other Non-Tribals will also be able to use the services. Technical assistance by retired BCW Inspectors will be provided for a certain period. The operators will be adequately trained to provide this service. The Centres would come up at selected Block headquarters. Construction is under progress and centre is expected to start within this financial.

14. AWARENESS GENERATION ON BCW DEPARTMENT SCHEMES THROUGH DHAKI

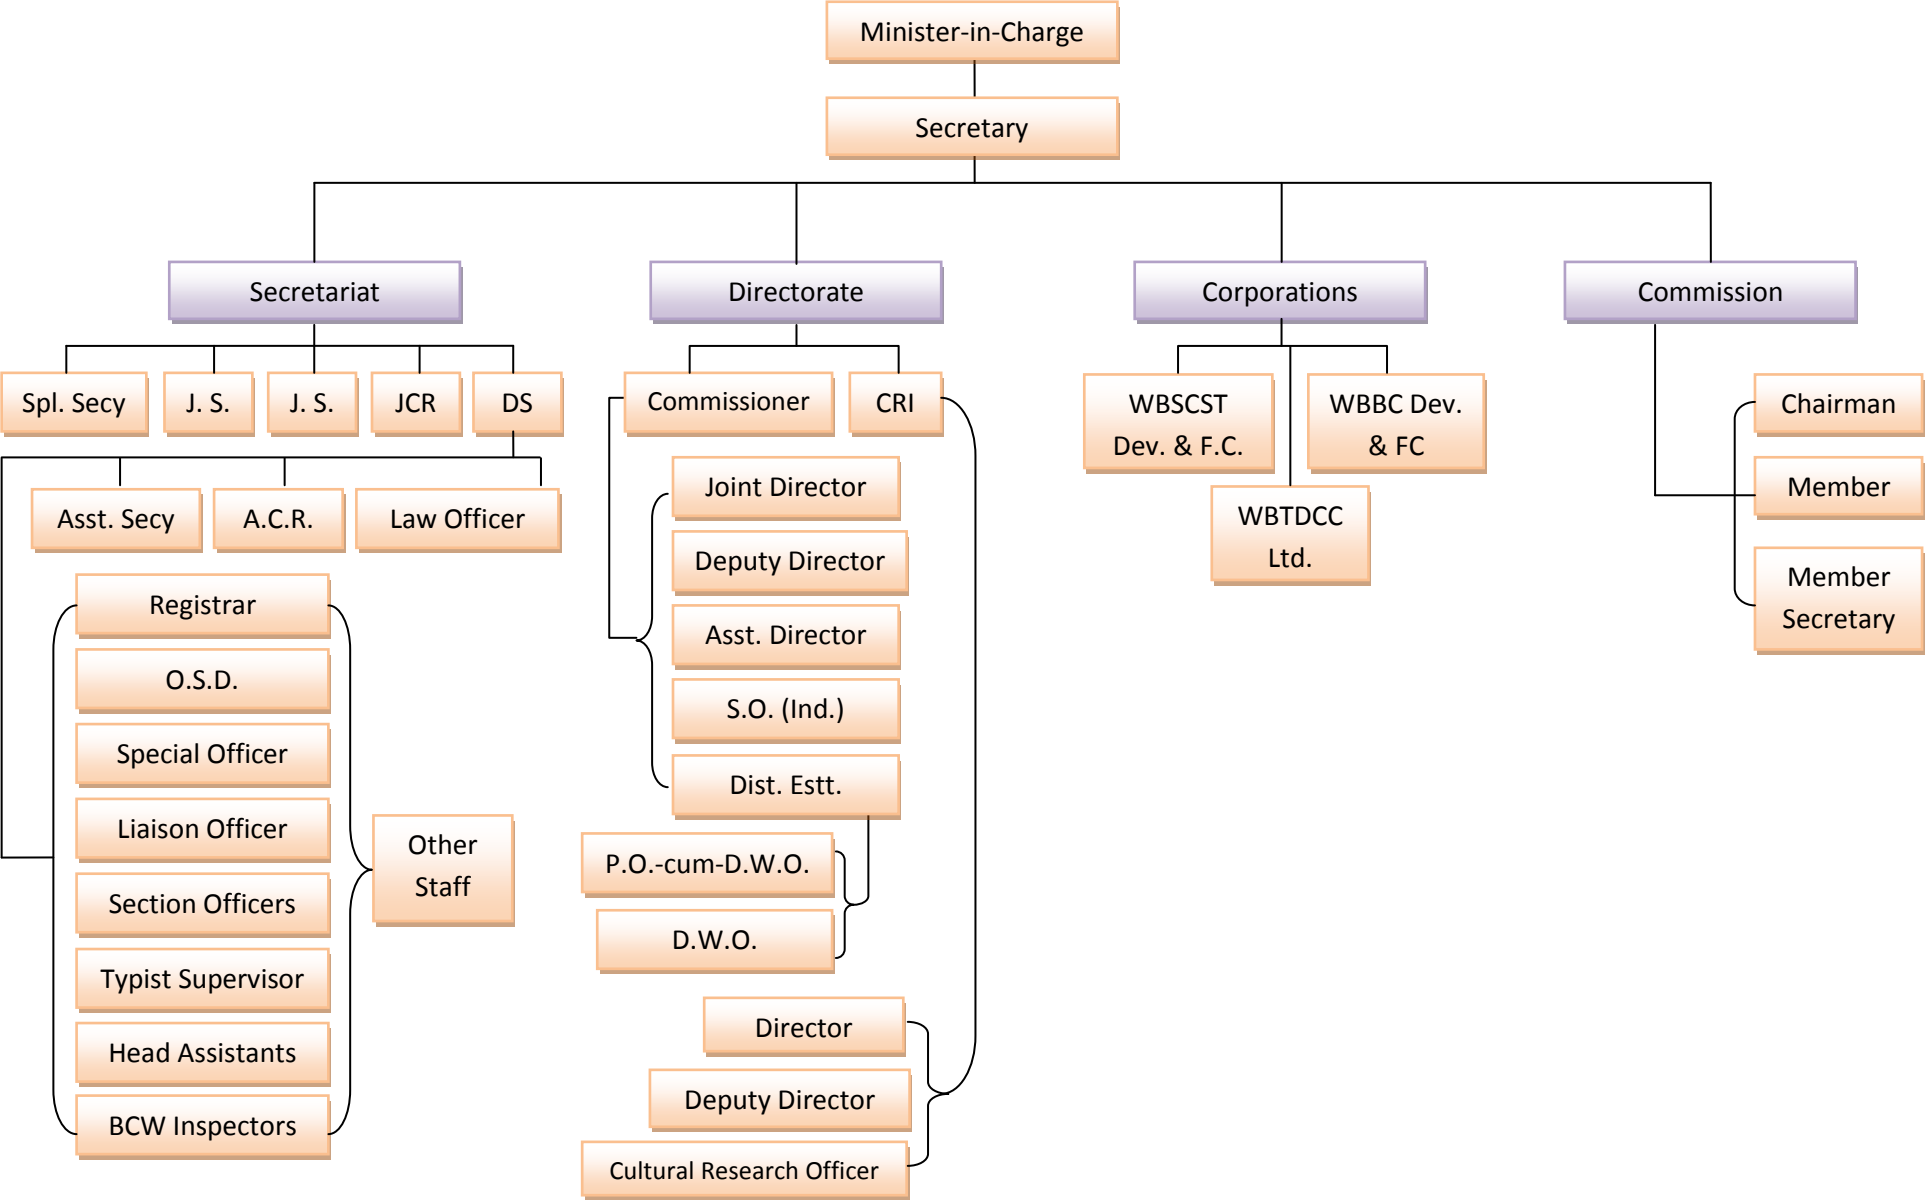

Dhakis (traditional drummer) pre-dominantly belonging to an ethnic group are still at the bottom line of development. The Department has already taken a decision to engage 400 Dhakis in 400 Blocks / Municipalities throughout the State. The Dhakis will attend rural *haats* and *melas* and beat their drums for 10 days each month and provide leaflets/pamphlets covering the Departmental activities to the people. For this, Govt. will pay the Dhakis Rs. 200/- per day. This programme will certainly help preserve and practice of the age old traditional art and also help to reach out to the people to make them aware of the activities of this Department.
